Title: ASABE Southeastern Region Rally
Legislation: Senate Allocation Bill

Whereas,	The Florida Agricultural and Mechanical University Student Senate is the Legislative Branch of the Student Government Association and is empowered to pass legislation as it deems necessary to carry out the functions of the Student Government Association.
Whereas,	The American Society of Agricultural and Biological Engineers (ASABE) is an international organization dedicated to advancing agricultural and biological engineering through professional development, continuing education, and

	networking. By integrating biology, agriculture, and engineering, ASABE fosters innovation and the development of impactful projects, initiatives, and ideas.
Whereas,	The Southeastern Regional Rally is a vital opportunity for ASABE members to engage with universities, faculty, and industry professionals, gaining valuable exposure to different career paths and research areas. It allows members to share their research and experiences within the FAMU chapter, fostering collaboration and knowledge exchange. This engagement helps our chapter refine its initiatives and enhance its member development, ensuring that every participant is equipped for success.
Therefore,	Be it appropriated, fourteen thousand one hundred and thirty two dollars (\$14,132) from Carryforward funds to ensure the ability for ASABE to attend the Southern Region Rally from March 28th to March 30 in College Station, TX.

Proviso Language: This piece of legislation will take effect in immediately upon signage by the Senate President and Student Government Association President.

Be it further appropriated; a copy of this signed bill will be sent directly to the office of the

Student Government Association President

Senate President Zayla Bryant
