2026 - 2027
Student Health Insurance Plan: Florida Agricultural and Mechanical University

Who can enroll?

All registered full-time Undergraduate students taking nine credits or full-time Graduate and Graduate Assistants taking six or more credits are automatically enrolled in this insurance plan unless, proof of comparable coverage is provided. All International students with J-1 or F-1 visas are automatically enrolled in this insurance plan unless proof of comparable coverage is furnished.

Eligible students may also insure their Dependents. Eligible Dependents are the student's legal spouse or Domestic Partner and dependent children under 26 years of age. The Named Insured may also cover a Dependent child to the end of the year in which the Dependent reaches age 30 under certain circumstances. See the Definitions section of the Certificate for the specific requirements needed to meet Domestic Partner eligibility.

The student (Named Insured, as defined in the Certificate) must actively attend classes for at least the first 31 days after the date for which coverage is purchased. Home study, correspondence, and online courses do not fulfill the eligibility requirements that the student actively attend classes. The Company maintains its right to investigate eligibility or student status and attendance records to verify that the Policy eligibility requirements have been met. If and whenever the Company discovers that the Policy eligibility requirements have not been met, its only obligation is refund of premium.

The eligibility date for Dependents of the Named Insured shall be determined in accordance with the following:

1. If a Named Insured has Dependents on the date, he or she is eligible for insurance.
2. If a Named Insured acquires a Dependent after the Effective Date, such Dependent becomes eligible:
   a. On the date the Named Insured acquires a legal spouse or a Domestic Partner who meets the specific requirements set forth in the Definitions section of the Certificate.
   b. On the date the Named Insured acquires a dependent child who is within the limits of a dependent child set forth in the Definitions section of the Certificate.

Dependent eligibility expires concurrently with that of the Named Insured.
